## Actress Dorothy Dandridge Found Dead In Apartment

By VERNON SCOTT  
UPI Hollywood Correspondent

HOLLYWOOD (UPI) — The nude body of Negro actress Dorothy Dandridge, 41, was discovered Wednesday in her cluttered Sunset Strip apartment. An autopsy failed to reveal the cause of death of the sexy star of "Carmen Jones" and "Porgy and Bess."

The autopsy Wednesday night "revealed no conclusive results as to the cause of death," the coroner said. "There is no indication of sexual abuse," he said. "The cause of death is still under investigation."

apartment, but there were no bottles, notes or other articles to suggest "anything other than a natural death," homicide detective Ward Hallinan said.
